Easy setup. A perfect projection screen.

AIRSCREEN® quality sets the industry standard. Beautiful to look at with a stretched, tight, wrinkle free professional seamless screen surface. So much more than just any inflatable movie screen. AIRSCREEN® guarantees the highest quality, as originally invented in 1994, and improved with time and experience.

World's Leading Portable Outdoor Movie Screen

When it comes to quality, these portable projection screens outperform any other inflatable movie screen on the market. State-of-the-art craftsmanship and materials, easy operation, three year warranty, and 24/7 access to the industry's most experienced support team.

Unrivaled Ease

Set up a 20' screen in 20 minutes. The favorite of professional outdoor cinema operators. Endorsed by parks, hotels/resorts, film festivals, governments, studios, and sports venues.

Amazing Performance and Value

Patented features and field-tested designs make AIRSCREEN® tough as a beast but a beauty to transport and operate. Our seamless screen surface stays flat and stable in wind up to 24 mph.

Service, Service, Service

Honest, candid advice plus super-smart technical support and our 3-year warranty backed by a team celebrating 20 years of keeping customers happy, successful and safe.

- Drive-in audio system with digital tuning, automatic power control, foldback protection, dipole antenna, and 50 ohm 20' coax cable
- Rolling ATA-rated rackmount cases
- High quality wired microphone with Comprehensive Touring Series XLR cable
- All needed audio and video cables prewired and labeled

Panasonic PT-MZ770U Laser

NEW UPGRADE! Featuring the Panasonic 8,000-lumen high-brightness laser, the PT-MZ770U projects vivid large-screen images. Panasonic's time-proven SOLID SHINE laser light-source technology achieves consistent high-quality pictures and stable performance for this 3 LCD professional projector with pin-sharp WUXGA (1920x1200) native resolution and 300,000:1 dynamic contrast. For ease of operation, the PT-MZ770U comes with a versatile powered zoom lens (throw ratio 1.6-2.8 :1), powered vertical/horizontal lens shift and keystone correction to quickly align images on big screens.

Panasonic's laser diode offers up to 20,000 hours of bright color and virtually maintenance-free operation. Compared to a traditional 8,000 lumen lamp source, you'll be amazed by the richer colors and spectacular contrast of this laser-powered projector.

What's included

- Instruction manual
- Application guide
- CD-ROM Operating Instructions
- Wireless remote control unit and batteries
- Power cord (3.0m) and holder

Specifications

- Lamp: Laser diode, life cycle up to 20,000 hours
- Brightness: 8,000 Lumens
- Display: Transparent LCD panel (x3, R/G/B) 0.76" active matrix
- Dynamic Contrast: 300,000:1 (Dynamic Mode/Dynamic Contrast 1/2)
- Native Resolution: 1920 x 1200 (WUXGA) 16:10
- Lens: Powered zoom (throw ratio 1.6-2.8 :1)
- Correction Control: Powered vertical and horizontal lens shift, keystone correction
- Weight: 37.7 lbs. (17.1 kg)
- Dimensions: 22.1" x 8.1" x 17.4 LWH (560 x 205 x 443 mm)

Drive-In Audio System

European made drive-in movie theater audio system featuring broadcast quality mono/stereo, MPX Exciter, adjustable from 87.5 to 108 MHz. Comes with high performance broadband dipole antenna and 50 ohm 20' coax cable. System is rack mounted in a 3U SKB case for easy portability.

What's included

- Easily programmed from menu with all key parameters displayed on LCD
- Automatic Power Control (APC) and Foldback protection ensure reliable operation
- Low distortion and high signal/noise ratio
- Built-in high-performance stereo coder
- Rack mounted drive-in theater audio system in SKU portable 3U case

Guaranteed Repair or Replacement

Our company stands behind the products we sell, and has since 1998. Dun & Bradstreet and the Better Business Bureau gives us the highest possible rating. AIRSCREEN® is such a high quality product that warranty services are rarely needed. In the unlikely event any problems arise, defects in materials or workmanship are covered. Our "Best in the Industry" warranties include:

What's included

- 3 year warranty on AIRSCREEN® inflatable movie screens
- 3 year manufacturer warranty on Christie and Optoma movie projectors
- 6 year manufacturer warranty on QSC Powered Speakers
- 1 year manufacturer warranty on all other parts

Most importantly, we value our relationship with you and we will do everything possible to demonstrate your value to us as a customer today and tomorrow.

Outdoor Movies is a master distributor for AIRSCREEN® Inflatable Movie Screens 12' to 80' wide. Pictured is the AIRSCREEN® 66'.

Ingenious by Design

AIRSCREEN® inflatable movie screens are rock hard like a tire, and do not bend, flex or move in the wind.

Global Reach

Outdoor Movies is trusted worldwide for candid, informed, affordable product recommendations. Reach us day or night for service and support.

Commercial Gear

We sell and rent only professional-grade equipment for indoor/outdoor motion picture entertainment.

Assembled in the USA

We take pride in the fact that all of our screens and systems are assembled in the USA.
