Easy setup. A perfect projection screen.

AIRSCREEN® quality sets the industry standard. Beautiful to look at with a stretched, tight, wrinkle free professional seamless screen surface. So much more than just any inflatable movie screen. AIRSCREEN® guarantees the highest quality, as originally invented in 1994, and improved with time and experience.

World's Leading Portable Outdoor Movie Screen

When it comes to quality, these portable projection screens outperform any other inflatable movie screen on the market. State-of-the-art craftsmanship and materials, easy operation, three year warranty, and 24/7 access to the industry's most experienced support team.

Unrivaled Ease

Set up a 20' screen in 20 minutes. The favorite of professional outdoor cinema operators. Endorsed by parks, hotels/resorts, film festivals, governments, studios, and sports venues.

Amazing Performance and Value

Patented features and field-tested designs make AIRSCREEN® tough as a beast but a beauty to transport and operate. Our seamless screen surface stays flat and stable in wind up to 24 mph.

Service, Service, Service

Honest, candid advice plus super-smart technical support and our 3-year warranty backed by a team celebrating 20 years of keeping customers happy, successful and safe.

 Inflatable Movie Screen

AIRSCREEN® 24'

For up to 750 people. For impact and image, the 24' x 13'6" is our most popular inflatable movie screen because of its very versatile outdoor movie screen size.

What's included

- 24' x 13' AIRSCREEN® frame
- Theatrical professional .96 gain front screen or high contrast grey rear seamless screen surface
- Theatrical screen ties to attach and tightly stretch screen surface
- Eight ratchet straps and two take down tethers
- Lower panel with valence
- Heavy duty carry bag
- High pressure blower
- Steel anchor stakes (42" x 1") with sledgehammer
- Repair kit
- Color illustrated manual
- One-year telephone and e-mail support

Specifications

- Projection Screen Width: 24' 0" (7.3 m)
- Projection Screen Height: 13' 6" (4.1 m)
- Projection Screen Area: 312 sq ft (29.0 m)
- Overall Width: 27' 11" (8.5 m)
- Overall Height: 22' 0" (6.7 m)
- Screen Surface from Ground: 6' 6" (2.0 m)
- Air Inlet Tube: 5' 0" (1.5 m)
- Blower Amps: 12.0 amps
- Weight: 235 lbs (107 kg)

Performance & Advantages

- Up to 30% lighter
- Rock stable in wind due to airtight construction (hard like an inner tube)
- Faster setup and deflation
- Patented double-Velcro closures
- Proprietary valence blacks out light below screen surface
- Proprietary seamless screen surface with minimal stretch in wind
- Knowledgeable helpful support team available day and night
- A straightforward Return Policy plus strong 3-Year Warranty coverage

Drive-In Console

Whether you plan on drive-in movies all the time or occasionally, our fully featured drive-in system has everything needed for drive-in production with a portable control console that plays it all: movie downloads, Blu-ray Disc, DVD, slide shows, audio announcements, streaming media and more. Create start-to-finish playlists on the integrated 13" MacBook Air laptop (supercharged by the Apple M1 chip) using the familiar iTunes interface. Mix and equalize amazing audio on the rack mounted 6-channel pro mixer feeding our broadcast quality drive-in audio system with digital frequency tuning and a high-performance dipole antenna included. Maximize flexibility and imagine every possibility for drive-in movies with this rugged all-digital console.

What's included

- A complete portable console with everything needed for drive-in production
- Playback from 13" MacBook Air or rack mounted Denon Blu-ray Disc player
- Digitally tunable audio system with broadband dipole antenna and 50 ohm 20' coax cable
- Video sources include movie download, streaming media, memory stick, Blu-ray Disc or DVD
- Access content using the familiar iTunes interface. Requires less training.
- Create start-to-finish show playlists combining electronic media, Blu-ray Disc and DVD content downloaded to the MacBook
- Future-proof all digital components
- Option to add speakers to your drive-in setup for out-of-car audio

Features and benefits

- 13" MacBook Air (supercharged by the Apple M1 chip) with user-friendly video playback interface
- NEW: Rack mounted Denon Blu-ray Disc player
- High-definition HDMI video switcher
- Rack mounted 6-channel pro audio mixer
- Rack mounted power conditioner with slide-out work lamps
- Drive-in audio system with digital tuning, automatic power control, foldback protection, dipole antenna, and 50 ohm 20' coax cable
- Rolling ATA-rated rackmount cases
- High quality wired microphone with Comprehensive Touring Series XLR cable
- All needed audio and video cables prewired and labeled

Optoma ZH507 Laser

The laser-powered, razor-sharp Optoma ZH507 is a remarkable 5,500 lumen 1080p professional movie projector. Its airtight DuraCore optical engine eliminates lamp and filter replacements for up to 30,000 of virtually maintenance-free operation. Other key features include 1.6 zoom, 16:9 native aspect ratio, plus 4K and HDR compatibility. Compare side by side to any 5,500 lumen projector with a traditional lamp, you will see noticeably richer colors and spectacular contrast from the laser-powered Optoma ZH507. Vertical lens shift and four corner correction enable flexible installations where projector placement is awkward and needs to be set at an angle. The Optoma ZH507 is compact, light-weight, quiet and an all-together anywhere a crisp and bright image is required.

What's included

- AC power cord
- Remote control
- Batteries for remote
- User manual
- 3-year manufacturer limited warranty

Specifications

- Laser Lamp Life: Up to 30,000 hours
- Brightness: 5,500 Lumens
- Contrast: Up to 300,000:1 (extreme black enabled)
- Native Resolution: 1920 x 1080 (HD)
- Optical Zoom: 1.6x
- Weight: 9.9 lbs. (4.5 kg)
- Width: 13.3 in. (337 mm)
- Depth: 10.4 in. (265 mm)
- Height: 4.8 in. (122 mm)

Drive-In Audio System

European made drive-in movie theater audio system featuring broadcast quality mono/stereo, MPX Exciter, adjustable from 87.5 to 108 MHz. Comes with high performance broadband dipole antenna and 50 ohm 20' coax cable. System is rack mounted in a 3U SKB case for easy portability.

What's included

- Easily programmed from menu with all key parameters displayed on LCD
- Automatic Power Control (APC) and Foldback protection ensure reliable operation
- Low distortion and high signal/noise ratio
- Built-in high-performance stereo coder
- Rack mounted drive-in theater audio system in SKU portable 3U case
- Dipole transmission antenna with 50 ohm 20' coax cable
- Manufacturer's standard two-year warranty

To Complete Your Outdoor Movies Package

Accessories included

- Projector stand with carry handle
- Mic with Comprehensive Touring Series XLR cable
- High-pressure blower
- Stakes, tethers and sledgehammer
- AIRSCREEN® operators manual
- Manuals for all included components

Support Team

Level One 24/7/365

Level one service and support backed by 20+ years of hands-on experience

What's included

- Customer first philosophy
- Quick knowledgeable response
- AIRSCREEN® repair facility on site
- Technical certifications: AIRSCREEN®, Christie, Dolby, Optoma and QSC
- 150+ years experience on team

Guaranteed Repair or Replacement

Our company stands behind the products we sell, and has since 1998. Dun & Bradstreet and the Better Business Bureau gives us the highest possible rating. AIRSCREEN® is such a high quality product that warranty services are rarely needed. In the unlikely event any problems arise, defects in materials or workmanship are covered. Our "Best in the Industry" warranties include:

What's included

- 3 year warranty on AIRSCREEN® inflatable movie screens
- 3 year manufacturer warranty on Christie and Optoma movie projectors
- 6 year manufacturer warranty on QSC Powered Speakers
- 1 year manufacturer warranty on all other parts

Most importantly, we value our relationship with you and we will do everything possible to demonstrate your value to us as a customer today and tomorrow.

Outdoor Movies is a master distributor for AIRSCREEN® Inflatable Movie Screens 12' to 80' wide. Pictured is the AIRSCREEN® 66'.

Ingenious by Design

AIRSCREEN® inflatable movie screens are rock hard like a tire, and do not bend, flex or move in the wind.

Global Reach

Outdoor Movies is trusted worldwide for candid, informed, affordable product recommendations. Reach us day or night for service and support.

Commercial Gear

We sell and rent only professional-grade equipment for indoor/outdoor motion picture entertainment.

Assembled in the USA

We take pride in the fact that all of our screens and systems are assembled in the USA.
