Easy setup. A perfect projection screen.

AIRSCREEN® quality sets the industry standard. Beautiful to look at with a stretched, tight, wrinkle free professional seamless screen surface. So much more than just any inflatable movie screen. AIRSCREEN® guarantees the highest quality, as originally invented in 1994, and improved with time and experience.

World's Leading Portable Outdoor Movie Screen

When it comes to quality, these portable projection screens outperform any other inflatable movie screen on the market. State-of-the-art craftsmanship and materials, easy operation, three year warranty, and 24/7 access to the industry's most experienced support team.

Unrivaled Ease

Set up a 20' screen in 20 minutes. The favorite of professional outdoor cinema operators. Endorsed by parks, hotels/resorts, film festivals, governments, studios, and sports venues.

Amazing Performance and Value

Patented features and field-tested designs make AIRSCREEN® tough as a beast but a beauty to transport and operate. Our seamless screen surface stays flat and stable in wind up to 24 mph.

Service, Service, Service

Honest, candid advice plus super-smart technical support and our 3-year warranty backed by a team celebrating 20 years of keeping customers happy, successful and safe.

Console

iSERIES Console

An iSERIES outdoor movie screen package revolutionizes the outdoor movie industry by taking reliability, portability and ease of use to the next level. The third generation iSERIES console features a 13" MacBook Air laptop paired with rack mounted audio and power conditioning in a rugged travel case for a sleek, easy to transport outdoor theater system.

What's included

- ATA-rated rackmount case
- 13" MacBook Air with user-friendly streaming video interface
- Diverse video sources: Internet download, memory stick or external digital storage
- Rack mounted audio mixer
- High quality microphone with Comprehensive Touring Series XLR cable
- Rack mounted power conditioner with LED readout of input voltage and loading current
- All audio and video cables prewired and labeled

Features and benefits

- Popular for future-proof technology
- Playback from computer. No searching for disks.
- Download and access content using the familiar iTunes interface. Less training needed.
- Portable, rugged, reliable components
- Build complete shows with sponsor messages, promotional videos and the movie feature in a playlist created on the iSERIES Macbook
- Video sources include Internet download, memory stick or external digital storage

Optoma ZH507 Laser

The laser-powered, razor-sharp Optoma ZH507 is a remarkable 5,500 lumen 1080p professional movie projector. Its airtight DuraCore optical engine eliminates lamp and filter replacements for up to 30,000 of virtually maintenance-free operation. Other key features include 1.6 zoom, 16:9 native aspect ratio, plus 4K and HDR compatibility. Compare side by side to any 5,500 lumen projector with a traditional lamp, you will see noticeably richer colors and spectacular contrast from the laser-powered Optoma ZH507. Vertical lens shift and four corner correction enable flexible installations where projector placement is awkward and needs to be set at an angle. The Optoma ZH507 is compact, light-weight, quiet and an all-together anywhere a crisp and bright image is required.

What's included

- AC power cord
- Remote control
- Batteries for remote
- User manual
- 3-year manufacturer limited warranty

Specifications

- Laser Lamp Life: Up to 30,000 hours
- Brightness: 5,500 Lumens
- Contrast: Up to 300,000:1 (extreme black enabled)
- Native Resolution: 1920 x 1080 (HD)
- Optical Zoom: 1.6x
- Weight: 9.9 lbs. (4.5 kg)
- Width: 13.3 in. (337 mm)
- Depth: 10.4 in. (265 mm)
- Height: 4.8 in. (122 mm)

QSC K10.2 Powered Speaker System

Two QSC K10.2 Speakers – now with 2000 watts continuous power per speaker, DMT™ (Directivity-Matched Transition) to ensure smooth coverage across the entire listening area, plus advanced on-board Intrinsic Correction™ DSP voicing that further optimizes performance. At 32 pounds per speaker the K10.2 is the perfect match of portability and power for your Outdoor Movie Screen Package with total output that defies the system's size and weight. Attractive and professional appearance with comfortable ergonomic handles. Includes portable speaker stands, and tote bags for speakers and stands.

What's included

- 10" Woofer, 1.4" titanium diaphragm compression driver
- Rugged ABS enclosures
- 18-gauge powder coated steel grille
- 2000-watt continuous Class D power module
- QSC 6-year powered speaker warranty
- Portable, retractable speaker stands with tote bag
- Soft, padded speaker totes made with weather resistant, heavy-duty nylon

Specifications

- Frequency Response (-6 dB): 56 Hz – 20 kHz
- Frequency Range (-10 dB): 50 Hz – 20 kHz
- Nominal Coverage Angle: 90° Axisymmetric
- Maximum SPL: 130 dB peak
- Amplifier Output: 1800 W (LF), 225 W (HF) Class D Peak
- Weight: 32 pounds

To Complete Your Outdoor Movies Package

Accessories included

- Projector stand with carry handle
- Mic with Comprehensive Touring Series XLR cable
- High-pressure blower
- Stakes and tethers
- AIRSCREEN® operators manual
- Manuals for all included components

Support Team

Level One 24/7/365

Level one service and support backed by 20+ years of hands-on experience

What's included

- Customer first philosophy
- Quick knowledgeable response
- AIRSCREEN® repair facility on site
- Technical certifications: AIRSCREEN®, Christie, Dolby, Optoma and QSC
- 150+ years experience on team

Guaranteed Repair or Replacement

Our company stands behind the products we sell, and has since 1998. Dun & Bradstreet and the Better Business Bureau gives us the highest possible rating. AIRSCREEN® is such a high quality product that warranty services are rarely needed. In the unlikely event any problems arise, defects in materials or workmanship are covered. Our "Best in the Industry" warranties include:

What's included

- 3 year warranty on AIRSCREEN® inflatable movie screens
- 3 year manufacturer warranty on Christie and Optoma movie projectors
- 6 year manufacturer warranty on QSC Powered Speakers
- 1 year manufacturer warranty on all other parts

Most importantly, we value our relationship with you and we will do everything possible to demonstrate your value to us as a customer today and tomorrow.

Outdoor Movies is a master distributor for AIRSCREEN® Inflatable Movie Screens 12' to 80' wide. Pictured is the AIRSCREEN® 66'.

Ingenious by Design

AIRSCREEN® inflatable movie screens are rock hard like a tire, and do not bend, flex or move in the wind.

Global Reach

Outdoor Movies is trusted worldwide for candid, informed, affordable product recommendations. Reach us day or night for service and support.

Commercial Gear

We sell and rent only professional-grade equipment for indoor/outdoor motion picture entertainment.

Assembled in the USA

We take pride in the fact that all of our screens and systems are assembled in the USA.
