Easy setup. A perfect projection screen.

AIRSCREEN® quality sets the industry standard. Beautiful to look at with a stretched, tight, wrinkle free professional seamless screen surface. So much more than just any inflatable movie screen. AIRSCREEN® guarantees the highest quality, as originally invented in 1994, and improved with time and experience.

World's Leading Portable Outdoor Movie Screen

When it comes to quality, these portable projection screens outperform any other inflatable movie screen on the market. State-of-the-art craftsmanship and materials, easy operation, three year warranty, and 24/7 access to the industry's most experienced support team.

Unrivaled Ease

Set up a 20' screen in 20 minutes. The favorite of professional outdoor cinema operators. Endorsed by parks, hotels/resorts, film festivals, governments, studios, and sports venues.

Amazing Performance and Value

Patented features and field-tested designs make AIRSCREEN® tough as a beast but a beauty to transport and operate. Our seamless screen surface stays flat and stable in wind up to 24 mph.

Service, Service, Service

Honest, candid advice plus super-smart technical support and our 3-year warranty backed by a team celebrating 20 years of keeping customers happy, successful and safe.

What comes with an AIRSCREEN® package?

AIRSCREEN® 52'

With 1,300 square feet of projection surface, yet weighing under 900 pounds, the 52' AIRSCREEN® is our most popular larger size screen. For up to 250 cars.

What's included

- 52' x 26' AIRSCREEN® frame
- Theatrical professional .96 gain seamless front screen surface
- Theatrical screen ties to attach and stretch screen surface
- Eight ratched straps and two take down tethers
- Lower panel with valence
- Heavy duty carry bag
- High pressure blower
- Repair kit
- Color illustrated manual
- One-year telephone and e-mail support
- Three-year limited warranty

Specifications

- Projection Screen Width: 52' 0" (15.8 m)
- Projection Screen Height: 26' 0" (7.9 m)
- Projection Screen Area: 1,378 sq ft (128 sq m)
- Overall Width: 60' 5" (18.4 m)
- Overall Height: 40' 0" (12.2 m)
- Screen Surface from Ground: 9'10" (3.0 m)
- Air Inlet Tube: 6' 0" (1.8 m)
- Blower Amps: 12.0 amps
- Weight: 904 lbs (410 kg)

Performance & Advantages

- Up to 30% lighter
- Rock stable in wind due to airtight construction (hard like an inner tube)
- Faster setup and deflation
- Patented double-Velcro closures
- Proprietary valence blacks out light below screen surface
- Proprietary seamless blackout-screen surface with minimal stretch in wind
- Knowledgeable helpful support team available day and night
- Training (in-house and online)
- A straightforward Return Policy plus strong 3-Year Warranty coverage

Drive-In Console

Whether you plan on drive-in movies all the time or occasionally, our fully featured drive-in system has everything needed for drive-in production with a portable control console that plays it all: movie downloads, slide shows, audio announcements, streaming media and more. Create start-to-finish playlists on the integrated 13" MacBook Air laptop (supercharged by the Apple M1 chip) using the familiar Apple Playlist interface. Mix and equalize amazing audio on the rack mounted 6-channel pro mixer feeding our broadcast quality drive-in audio system with digital frequency tuning and a high-performance dipole antenna included. Maximize flexibility and imagine every possibility for drive-in movies with this rugged all-digital console.

What's included

- 13" MacBook Air (supercharged by the Apple M1 chip) with user-friendly video playback interface
- Rack mounted 6-channel pro audio mixer
- Rack mounted power conditioner with slide-out work lamps
- Drive-in audio system with digital tuning, automatic power control, foldback protection, dipole antenna, and 50 ohm 20' coax cable
- Rolling ATA-rated rackmount cases
- High quality wired microphone with Comprehensive Touring Series XLR cable
- All needed audio and video cables prewired and labeled

Features and benefits

- A complete portable console with everything needed for drive-in production
- Playback from 13" MacBook Air solid state memory
- Digitally tunable audio system with broadband dipole antenna and 50 ohm 20' coax cable
- Video sources include movie download, streaming media, or memory stick
- Access content using the familiar Apple Playlist interface. Requires less training.
- Create start-to-finish show playlists combining content downloaded to the MacBook
- Future-proof all digital components
- Option to add speakers to your drive-in setup for out-of-car audio

Panasonic PT-MZ17KL Laser

Harnessing 16,500 lumens of laser output and three one-inch LCD panels, the Panasonic PT-MZ17KL produces bright, sharp, vibrant 1920 x 1200 (WUXGA) images that immerse audiences in deep, true-to-life colors. Liquid-cooled solid state lasers ensure stable long-life projection, plus with Panasonic's multi-module laser optical engine and failover circuitry the PT-MZ17KL reliably operates up to 20,000 hours virtually maintenance-free. The PT-MZ17KL delivers full brightness on AC 100–240 V power, eliminating the need for high-voltage power supply installation. The MZ series also supports the Near Field Communications (NFC) function, allowing you to quickly set up the projector's settings without even powering it up.

There is a full suite of optional lenses, including the ET-EMS650 (1.35-2.10:1 throw ratio) Zoom Lens.

What's included

- Instruction manual
- Application guide
- Wireless/wired remote control unit and batteries
- Power cord (3.0m) and holder
- Lens fixing screw (x4)

Specifications

- Lamp: Laser diode, life cycle up to 20,000 hours
- Brightness: 16,500 Lumens
- Display: Transparent LCD panel (x3, R/G/B) 1.00" active matrix (16:10 aspect ratio)
- Dynamic Contrast: 300,000:1 (Full On/Full Off – Dynamic Contrast 3)
- Native Resolution: 1920 x 1200 (WUXGA)
- Supports uncompressed 4K/60p video-signal input
- Correction Control: Vertical and horizontal lens shift, keystone correction
- Control Panel: Displays temperature, voltage, operating hours, input signals and more
- Weight: 49.6 lbs. (22.5 kg) without lens
- Dimensions: 25.6" x 8.3" x 17.3" LWH (650 x 211 x 440 mm) lowest leg position, without lens

Drive-In Audio System

European made drive-in movie theater audio system featuring broadcast quality mono/stereo, MPX Exciter, adjustable from 87.5 to 108 MHz. Comes with high performance broadband dipole antenna and 50 ohm 20' coax cable. System is rack mounted in a 3U SKB case for easy portability.

What's included

- Easily programmed from menu with all key parameters displayed on LCD
- Automatic Power Control (APC) and Foldback protection ensure reliable operation
- Low distortion and high signal/noise ratio
- Built-in high-performance stereo coder
- Rack mounted drive-in theater audio system in SKU portable 3U case
- Dipole transmission antenna with 50 ohm 20' coax cable
- Manufacturer's standard two-year warranty

To Complete Your Outdoor Movies Package

Guaranteed Repair or Replacement

Our company stands behind the products we sell, and has since 1998. Dun & Bradstreet and the Better Business Bureau gives us the highest possible rating. AIRSCREEN® is such a high quality product that warranty services are rarely needed. In the unlikely event any problems arise, defects in materials or workmanship are covered. Our "Best in the Industry" warranties include:

What's included

- 3 year warranty on AIRSCREEN® inflatable movie screens
- 3 year manufacturer warranty on Christie and Optoma movie projectors
- 6 year manufacturer warranty on QSC Powered Speakers
- 1 year manufacturer warranty on all other parts

Most importantly, we value our relationship with you and we will do everything possible to demonstrate your value to us as a customer today and tomorrow.

Outdoor Movies is a master distributor for AIRSCREEN® Inflatable Movie Screens 12' to 80' wide. Pictured is the AIRSCREEN® 66'.

Ingenious by Design

AIRSCREEN® inflatable movie screens are rock hard like a tire, and do not bend, flex or move in the wind.

Global Reach

Outdoor Movies is trusted worldwide for candid, informed, affordable product recommendations. Reach us day or night for service and support.

Commercial Gear

We sell and rent only professional-grade equipment for indoor/outdoor motion picture entertainment.

Assembled in the USA

We take pride in the fact that all of our screens and systems are assembled in the USA.
